

CHINA CITIC BANK INTERNATIONAL LIMITED

About the company

With the launch of several “first-in-market” digital initiatives such as inMotion - remote account opening service, robo advisory service, virtual credit card and money market fund in the past years, CNCBI takes considerable pride in its leadership in Fintech innovation in the Hong Kong banking and finance industry. The recognition received from customers, market players, media and the industry speak volume. Our commitment in Fintech provide a superb environment for talents to develop their potential and a fruitful long-term career.
