Introduction

- In April 2021, the Hong Kong Monetary Authority (HKMA) and the Securities and Futures Commission (SFC) issued a joint consultation paper (Consultation Paper) on the annual update to the list of Financial Services Providers (FSP List) under the Clearing Rules for over-the-counter (OTC) derivative transactions¹.
- 2. The FSP List includes entities that meet the following two criteria
 - (a) They belong to a group of companies appearing on the list of global systemically important banks (**GSIBs**) published by the Financial Stability Board, or on the list of dealer groups which undertook to the OTC Derivatives Supervisors Group to work collaboratively with central counterparties, infrastructure providers and global supervisors to continue to make structural improvements to the global OTC derivatives markets (**G15-dealers**); and
 - (b) They are members of the largest central counterparties offering clearing for interest rate swaps in the US, Europe, Japan and Hong Kong (IRS CCPs).
- 3. The deadline for submitting comments on the update to the FSP List was 14 May 2021. We received a total of three submissions. A list of respondents is set out in Appendix A and their comments (unless requested to be withheld from publication) can be viewed on the websites of the HKMA and the SFC.
- 4. This consultation conclusions paper (**Conclusions Paper**) sets out the comments received and our conclusions, and should be read together with the Consultation Paper.

Comments and Conclusions to Annual Update to the FSP List

5. In the Consultation Paper, we proposed (among others) to add a new Financial Services Provider (FSP), namely TD Global Finance Unlimited Company, and to remove an entity as an FSP, i.e. DB Privat- und Firmenkundenbank AG, based on the above criteria for determining whether an entity comes within the scope of an FSP, and taking a snapshot of the entities falling under the FSP criteria as at the end of 2020.

The current clearing regime, as set out in the Securities and Futures (OTC Derivative Transactions – Clearing and Record Keeping Obligations and Designation of Central Counterparties) Rules (Clearing Rules), covers transactions between major dealers where at least one of them is a prescribed person (ie, an authorized institution, an approved money broker or a licensed corporation). Transactions in standardised interest rate swaps in G4 currencies (ie, US dollar, Euro, British pound and Japanese yen) and Hong Kong dollar between a prescribed person which has reached the prescribed clearing threshold and another major dealer which is not a prescribed person also have to be centrally cleared. To that end, the concept of Financial Services Providers was introduced to identify such major dealers outside of Hong Kong.

6. The respondents did not raise any comment on the proposed revisions to the FSP List. Accordingly, the draft revised FSP List set out in the Consultation Paper is to be adopted as the final updated FSP List as set out in Appendix B.

Concluding Remarks and Next Steps

- 7. We take this opportunity to thank everyone who took the time and effort to comment and assist us in the annual update to the FSP List.
- 8. Following our current approach for the annual update, we will gazette the updated FSP List in <u>Appendix B</u> during the fourth quarter of 2021 for implementation on 1 January 2022.
- 9. We will continue to maintain close dialogue with the industry as we consult on other proposals regarding the OTC derivatives regulatory regime in the future.
